

TO: ENGL201 STUDENTS
FROM: SUZANNE WEBB, INSTRUCTOR
RE: WEEK 13 AGENDA
DATE: APRIL 7, 2013

WEEK 13 BEGINS April 8, 2013

TASKS THIS WEEK

- 1) PEER REVIEW RESEARCH PAPERS
- 2) INTRODUCING: THE REMIX & PRESENTATIONS (p6 / p7)

UPCOMING DEADLINES:

- Research papers are due April 14
- Remixes are due April 21
- Presentations (in ANGEL) begin April 22

1) PEER REVIEW

You have an opportunity to receive 2 peer reviews in ANGEL this week. The thing is *DO NOT POST YOUR PAPER UNLESS YOU ARE WILLING TO GIVE 2 REVIEWS*. It's just not fair to post a paper unless you also review for the two students above you.

- You'll only do TWO (2) reviews this time—since these are lengthy projects.
- ***DO NOT POST UNLESS YOU WILL DO THE REVIEWS!***

**The review is in ANGEL in
201 > 201Materials > Week 13**

Post your research paper no later than 11:59 pm on Tuesday April 9. For this review, since these are longer papers, you are only required to review for 2 (TWO) peers.

- ***Details and day-by-day schedule for the review posted in ANGEL.***
- ***Your finished, finalized, edited, revised, proofread research paper is due, emailed to me, by 11:59 pm on Monday, April 14.***

Feel free to take this paper to the Writing Center and/or to have other people review and edit as well.

2) INTRODUCING THE REMIX

[Remix Assignment Sheet](#) ←linked here

There's some former student examples on the assignment sheet. Your job is to take your research paper and "remix" (re-present) the papers for your classmates. How will you grab their attention? You might make a video. You might make a website. You might make a brochure. You could even write a song!

- **Read the assignment sheet.** Actually, I'd read it twice.
- Email me if you have any questions.
