RE: WEEK 14 AGENDA
DATE: APRIL 15, 2013

WEEK 14 BEGINS April 15, 2013, Today!

Research Paper / Deadline Extension Granted.

I'm offering a 3-day extension on the research paper, but must hold fast on the remix project deadline.

You may take until 11:59 pm on Thursday, April 18 to turn in the paper. If you've already turned in your paper, you may review it and revise and resubmit.

I have something else for you to do, especially if you think your paper is already done. Please check out this short article on **REACHING YOUR AUDIENCE**. You just may be glad you did!

That said, you *MUST* have your remix ready to upload by 11:59 pm next Monday night (4/21). We will be posting remixes to ANGEL on Monday and Tuesday of next week and Presentations begin next Wednesday. Presentations will work like peer reviews and happen in ANGEL. I will post the uploading and reviewing instructions in our week 15 agenda next Sunday night.

Woo W'bee! We're almost done!

RESEARCH PAPERS (P5) DUE THURSDAY

REMIXES DUE FOR UPLOAD NEXT MONDAY

PRESENTATIONS BEGIN NEXT WEDNESDAY

- My next project is to return your DWDFWD projects (P3). I will get through these and return them this weekend.
- Your next project will be **P8: The Reflection**. Take a look ahead so you can start on it and be able to work through several drafts before its due date. It is due on May 3rd.

Email me if you have any questions!
